RESTRUCTURING THE DISTRIBUTION

WHAT ARE WE DOING?

- Replacing push model by replenishment model
- Assured & increased ROI of distributors
- Loyalty based programme for retailers
- Transactions order through tele calling services
- Retail servicing by sales officers in the field
- Real time visibility of sales

HOW?

- Mapping retail network in area allocated to distributor
- Enrolling retailer in Project Lakshya
- Supplies to distributors on replenishment model

EXPECTED OUTCOME

- Increased market penetration, primary sales and secondary sales
- Increase in Number of SKUs at distributor level
- Faster recovery of dues in retail channel

INVESTING IN DIGITIZATION

- Auto Replenishment Systems (ARS) and Distributor Management System (DMS) implemented at Lakshya distributors
- Work in progress for implementation of ARS at Supply Chain Level
- Implementation of after sales service app at retail level & activity tracker for sales team
- Road map planned to switch over from Oracle ERP to SAP
- Automated tele-calling solution through its user interface collects all past data of the retailers, which facilitates our tele-callers in providing a better customer experience, along with enhancing their productivity.
